About Us

Who We Are

We are a Nigerian renewable energy solutions provider specializing in clean energy solutions for all sectors and scales.

On a mission to develop **3,000** sustainable homes through our klinar Forte Estate by 2030

7.5 GW

of operational renewable energy projects targeted for 2030.

We aim to reduce **CO2** emissions by **4 million** tons annually by 2030.

Provide clean sustainable drinking water to at least **50,000** homes by 2030.

OUR VISION

Our vision is straightforward yet powerful: to make renewable energy accessible to everyone.

OUR MISSION

At Klinner Energies, our mission is to power the future through 100% clean, renewable energy.

Our Core Values

Excellence

We are committed to achieving top-notch luxury homes that are outstandingly excellent with obsessive focus on the little details.

Professionalism

Our staff are well-trained and skilled in their various fields, guaranteeing excellence in all we do.

Integrity

Our quest to serve you is anchored on measurable value, quality and class.

Innovation

We prioritise technology in all our decision making processes either in properties we develop or broker with the future in mind.
